Sub: This is my Curriculum Vitae

Hi, Hope you are doing good!

I'm a digital designer graduated from **JNAFAU-Spa**, Hyderabad. I have 2+ years of experience working as a digital designer in multiple domains. That experience has made me capable of handling pressure of any level and also added patience in me to be a good designer. I love to research and find new techniques to design which will be useful to fellow designers and even others.

## Education:

- Graduation:- "JNAFAU", Hyderabad, B.tech(Digital Techniques for Design and Planning) - **CGPA:8.00 Pts.**
- 12th:- "Narayana Junior College" - New Nallakunta, Hyderabad - **CGPA: 9.00 Pts.**
- 10th:- "Divyanjali High School" - CE colony, Hyderabad - **CGPA: 7.5 Pts.**

## Skills & Tools:

Ux Research & Strategy, UI Design, Digital Painting, Photography

Adobe **Photoshop**

Adobe **Illustrator**

Adobe **After effects**

Adobe **XD**

Adobe **Premiere Pro**

**Sketch** app

**Figma**

**Invision** Studio

"If you are wondering why I left this space for, I'm learning more and understanding my new skills"

## Achievements:

- **2017-Silver Medal in Bachelors Degree,**  
Second in Class in fourth year of Graduation.
